NH Building Code Review Board 2018 ISPSC Subcommittee

To: Shawn Bergeron, Chairman NH Building Code Review Board

Date: September 10, 2020

Re: Report Regarding the Changes in the **2018 International Swimming Pool and Spa Code**

After a thorough review of the changes our ISPSC Subcommittee has concluded that there are no significant changes in the 2018 ISPSC.

No further amendments are being recommended in addition to the “boiler plate,” “fill-in-the-blank” amendments that have been approved for the 2015 edition.
